

# SHELL SCOTFORD & QUEST CCS PROJECT MAY 2014

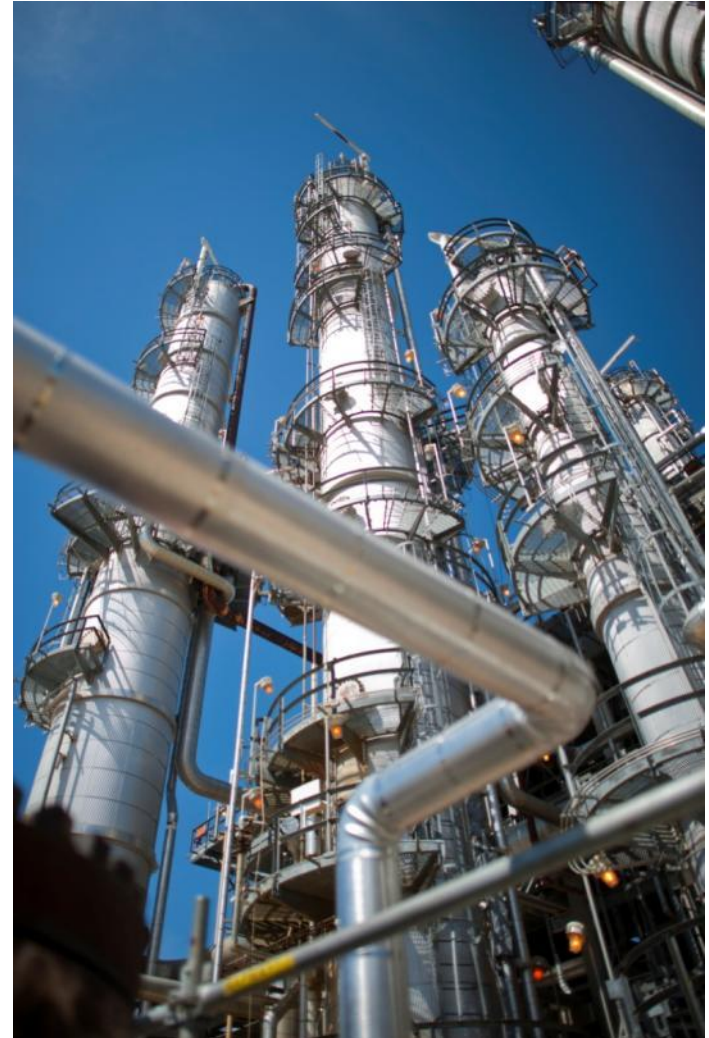

**30**  
**YEARS SHELL SCOTFORD**  
1984-2014

# MEET SCOTFORD'S GMS

- Michael Frigge, GM, Scotford Upgrader
- Achim Schempp, GM, Scotford Manufacturing

# SCOTFORD OPERATIONS UPDATE

- Focus on delivering safely and reliably
- No turnarounds planned for 2014

# QUEST CCS PROJECT UPDATE

Work force spanning 3 construction sites (capture, pipeline and mod yard) and home engineering office is approx. 850 people

Scotford Capture Site / Mod Yard:

- Work progressing on all fronts. Pipeline installation nearing completion and groundwork completion will occur over the summer.
- Largest lift, amine stripper column completed March 14
- 30 modules at capture site and 39 in various stages of assembly (expect 2/week)

# INVESTING IN OUR COMMUNITY

Recent investments:

- \$400,000 for the Fort Saskatchewan River Valley improvements
- Thorhild & District Parent Advisory Committee - \$5,000 towards the school bleachers
- Lamont County Hospital – \$50,000 for solar panels
- Bruderheim Fire Department - \$80,000 for a generator and air compressor

Youth Enrichment Foundation of Thorhild  
Community Playground at Thorhild Central School

Animal Rehabilitation

# \$30,000 TO CELEBRATE SCOTFORD'S 30 YEARS!

To celebrate our 30th year at Scotford, we've launched our first-ever Community Grants Program.

Non-profit organization can apply for grants of up to \$5,000 which will be decided on by a community panel.

Deadline to apply is June 30, 2014
