Who we are

Northeast Region Community Awareness Emergency Response (NRCAER) is a mutual aid emergency response association formed in 1991.

Our members: 30 industries, 8 municipalities

Our vision: A safe, informed & prepared community where individuals, organizations and agencies can respond to any emergency quickly and effectively.

Emergency response training, planning, best practice sharing and development in our ~700 km² area.

What we do

- Facilitate mutual aid among members to access resources for a large-scale response
- Community Notification Program & tools
UPDATEline/Mass notification system
- Multi-agency training among industry, municipal emergency services, law enforcement, provincial and regulatory agencies
- Create a strong expert network in all aspects of response
- Advocate for and work collectively on safety initiatives that enhance regional safety
- Collective voice to communicate Shelter in Place safety and 72-hour preparedness to residents in our region
