## Who we are

Northeast Region Community Awareness Emergency Response (NRCAER) is a mutual aid emergency response association/registered society established in 1991.

Our members: 29 industries, 8 municipalities

Our vision: A safe, informed & prepared community where individuals, organizations and agencies can respond to any emergency quickly and effectively.

# NRCAER Fundamentals

**We're different here**

- Many residents and growing
- Large industry base and growing
- Many resources and trained responders
- Emergencies don't stop at industry fence lines or municipal boundaries
- Shared reputation as "industry cluster"
- A working Mutual Aid Plan = effective response

**We're in it together.**

## Why Mutual Aid?

- Surge capacity for large-scale incidents
- Emergency Management is a TEAM sport
- No single entity owns, or is 'expert' at, everything
- Residents expect Public Safety
- Big incidents impact beyond boundaries
- Good relationships = good response

When response needs to get **Big, Quick**

## What we do

- Access member resources in a large-scale response (via 911 Dispatch)
- Community Notification Program and tools
- Multi-agency network to share best practices
- Emergency response training and exercises
- Promote Shelter in Place safety and 72-hour preparedness to residents in our region
- Advocate for and work collectively on safety initiatives that enhance regional safety

## Resident Information Resource

# UPDATEline

## 1-866-653-9959

- Emergency events
- Unusual noise
- Flaring, venting
- Transportation incident
- Site Alarms
- Fire training
- Exercises
- Maintenance activity

## Dynamic and Static Message Signs

- 7 digital + 3 static signs at key locations in four major municipalities
- Equipped with cameras that can be viewed on 511 Alberta
- Commissioned end of 2022
- Increase safety with ability to alert & divert motoring public
- Enhances current notification methods
